2019

WELCOME

Since 1990, San Diego Housing Federation has worked to ensure that all San Diegans, regardless of income, have the opportunity for a safe, stable and affordable place to call home.

We do this by offering education, advancing smart policies, and growing the capacity of those who build, finance and advocate for homes that are affordable to San Diegans in need — working families, returning veterans, senior citizens and those living with mental and physical disability.

As a member and sponsor of SDHF you are a part of this important work. Your support gains you access to strategic visibility, meaningful networking, and innovative programs. It also demonstrates your organization's commitment to affordable housing and support for the league of professionals that drive this field forward. We look forward to another great year of working together to make an affordable home a possibility for more San Diegans.

THE CONFERENCE WILL TAKE PLACE ON THURSDAY, OCTOBER 10, 2019 WITH THE PRE-CONFERENCE INSTITUTES ON WEDNESDAY, OCTOBER 9, 2019 AT THE HILTON SAN DIEGO BAYFRONT.

SDHF's ANNUAL AFFORDABLE HOUSING & COMMUNITY DEVELOPMENT CONFERENCE draws over 550 attendees—including expert panelists and presenters from across the state and country. The conference delivers specific guidance in areas including affordable housing design and development, housing finance, supportive housing, property and asset management, and housing policy and advocacy.

The Annual Affordable Housing & Community Development Conference offers two high-demand **PRE-CONFERENCE INSTITUTES** the day prior to the conference program. These intensive pre-conference institutes provide training for resident services professionals as well as education for any professional seeking to advance their career in the affordable housing field.

FUNDAMENTALS OF AFFORDABLE HOUSING INSTITUTE

The Fundamentals of Affordable Housing Institute is a day-long educational training that will provide an overview of the affordable housing development process, including feasibility, design, construction, finance and operations. The institute is presented by experienced affordable housing professionals, including an architect, developer and financial consultants. This institute is especially useful and targeted to entry-level project managers, members of the board of directors of nonprofit developers and staff of public agencies, but all are invited to learn.

RESIDENT SERVICES INSTITUTE

Resident services provided in conjunction with affordable housing are a vital tool in assisting low-income individuals and families to achieve self-sufficiency and overcome barriers to success. Resident services professionals play an indispensable role in changing the lives of the residents they work with every day. Resident services professionals from across the county attend this one-day educational opportunity in order to grow the knowledge and skills necessary to provide a more meaningful impact in this very important field.

MOBILE APP

The Conference Mobile App will return in 2019! This event mobile app will maximize your ROI. A listing of your organization will be added to the mobile app, complete with your URL and contact information. Our social media tool will enable you to see who has registered and chat directly with attendees through a chat space or private message.

NEW FOR 2019

SDHF Conference Scholarship Fund Sponsorship – The scholarship fund will create the opportunity for emerging leaders in the field, residents living in affordable developments, and individuals experiencing housing instability to attend SDHF’s Annual Conference and associated events. Scholarships will cover registration, and for some, lodging and transportation.
